REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-10 are allowed because none of the prior art references of record teaches an ink cartridge comprising a lid member that is disposed within a second chamber movably in a vertical direction, the lid member partitioning the second chamber into a first space above the lid member and a second space below the lid member for storing ink, wherein a gap is formed between an outer periphery of the lid member and an inner periphery of the second chamber such that a meniscus of ink is formed therebetween and an elastic member disposed in the second chamber, to urge the lid member upward, and maintain the second space of the second chamber at a negative pressure in the combination as claimed.

Claims 11-14 are allowed because none of the prior art references of record teaches an ink jet printer comprising a lid member that is disposed within a second chamber movably in a vertical direction, the lid member partitioning the second chamber into a first space above the lid member and a second space below the lid member for storing ink, wherein a gap is formed between an outer periphery of the lid member and an inner periphery of the second chamber such that a meniscus of ink is formed therebetween and an elastic member disposed in the second chamber, to urge the lid member upward, and maintain the second space of the second chamber at a negative pressure in the combination as claimed.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
